

Adelante Youth Mission - Misión Joven Dominicana 2016

Thank you for your support of Misión Joven! We could not have done all of this without your help! ~Fr. Joachim

20 New Homes Constructed

Thanks to the diligence of our U.S. and Dominican missionaries, as well as help from the new owners and their neighbors, a record 20 new homes were built during the mission this year!

Sponsored Medical Clinics

Thanks to the medicine & supplies from generous local U.S. donors, the team and mission sponsored clinics in 3 locations, which provided free access to doctors and medications for over 600 people!

Educational Support

The education team visited 5 schools and distributed over 700 lbs. of donated school supplies. In addition to teaching lessons to the students, the team held 2 "best practices" in-services for the area teachers. A first for Misión Joven!
