*Thank you for your support of Misión Joven! We could not have done all of this without your help! ~Fr. Joachim*

## 23 New Homes Constructed

This past March, 17 U.S. missionaries along with 40 Dominican missionaries built 23 new homes during the 2 week mission! Thanks to the generosity of all the donors, and the diligence and hard work of all of the missionaries, 23 families now live in sturdy & clean new homes.

## Medical Clinics & Water Filtration

Thanks to the medicine & supplies from generous local U.S. donors, the mission team sponsored 4 clinics which provided free access to doctors and medications for over 900 patients! In addition 29 water filtration stations and 150 solar lanterns were provided to numerous residents!

## Educational Support

The education team brought approximately 400 hundred pounds of donated school supplies, working in 5 different grade schools, helping teach students and the teachers to be more effective in the classroom.
