History

Slippery McDivot's Charity Classic was founded in 1998 by Tom Doyle and Amy Gadison-Herring. Their objective was to create a day of fun and camaraderie, while raising money for a charitable worthy cause. Throughout the years, approximately \$310,000 has been donated to charity. Our selected charity since 2014 is the Adelante Youth Mission. In 2023, the Slippery McDivot raised over \$65,000 for Adelante and was able to build and furnish 10 homes which we did in March 2024.

About the Mission

Adelante Youth Mission, Inc. a 501(c)(3), works with the poorest of the poor in the Dominican Republic. 100% of all proceeds raised will be used to build and furnish new small homes for families who currently reside in makeshift shacks. Each new home is about 20' by 20'. Home material costs are around \$3,000 and constructed by volunteers from here and the DR. These new homes, albeit very simple, are life changing for the residents. In addition, we provide basic and simple furnishings for each home built, which costs around \$800 each. Items such as bed frames, mattresses, table-top stove and table and chairs will be provided for those in need when completing their new home. These simple items are in greatest need.
